## Volunteers Sought for April Pfennig Bazaar

Due to Sept. 11 events the German-American Women's Club had to cancel its 2001 Pfennig Bazaar in downtown Stuttgart. But there is good news: the GAWC will host a smaller Pfennig Bazaar April 19 to 22 in order to clean out store rooms, sell reasonably-priced goods to the community and promote club unity and teamwork.

The actual sale will take place April 20 and 21 in the Generationshaus in Stuttgart but volunteers are being sought to lend a hand throughout the week with loading, table setup, cleanup and selling. Those interested in helping should call Cindy Smith, 0711-658-6191, Cordillia Williams, 0711-674-0738, or Iris Stubblefield, 0711-719-4094.

## Change to Emergency Leave Travel

A recent OSD Legal Office interpretation of Joint Federal Travel Regulation (JFTR), paragraph U-7205, concerning Emergency Leave Travel, has changed the locations to which government-funded travel may be provided. Previously,

members were booked on the first flight to the closest CONUS international airport after the traveler was available for travel, regardless of destination. However, the OSD Legal Office determined the availability of flights had no bearing on the entitlement. JFTR U7205-C-1 states, in part, that an authorized destination is "The CONUS international airport nearest to the location from which the member/dependents departed to which a scheduled direct flight is available along a normally traveled international route." In the case of Stuttgart that airport is Boston. The government fare to Boston is \$285. This creates a cost basis that determines the government's liability for the travel being performed.

The complete Emergency Leave Travel entitlement text can be found at [www.dtic.mil/perdiem](http://www.dtic.mil/perdiem). Go to Travel Regulations then JFTR Volume 1 then Online Electronic Version.
